Of Interest to Women.

Every woman naturally should be healthy and strong, but a great many women, unfortunately, are not, owing to the unnatural condition of the lives we lead. Headache, backache and a general tired condition are prevalent amongst the women of to-day, and to relieve these conditions women rush to the druggist's for a bottle of some preparation supposed to be particularly for them and containing—no body knows what. If they would just get a box of Brandreth's Pills, and take them regularly every night for a time, all their trouble would disappear, as these pills regulate the organs of the feminine system. The same dose always has the same effect, no matter how long they are used. Brandreth's Pills have been in use for over a century and are sold in every drug and medicine store, either plain or sugar-coated.

Y. M. C. A. to be Organized.

The prospects are bright for the organizing of a Young Men's Christian Association among the young men of this town. The meeting called to meet at St. James Lutheran church on Tuesday evening of last week was largely attended and but one sentiment prevailed, that an association should be organized.

Dr. T. J. Barkley opened meeting with prayer, after which R. Wm. Bream was made chairman and Raymond Dillfield secretary of the meeting.

Rev. Dr. W. Woods, Jr., Wm. J. Miller, Jr., who had been secretary of the Pennsylvania State Student Y. M. C. A. work, Dr. T. J. Barkley, Rev. E. H. True, Dr. L. L. Sieber, Rev. Henry Anstadt, M. K. Eckert, Amos Eckert, John A. Cox, Francis Knouse, Edward A. Crouse, Raymond Dillfield, Ira L. Taylor and John Ohler, all spoke in favor of the project.

On motion of Rev. True, seconded by Dr. J. A. Singmaster, it was unanimously decided that the sense of the meeting was in favor of the organization of a Y. M. C. A.

A motion then carried that a committee of five business men with R. Wm. Bream as chairman be appointed, together with a business man from each church of the town to confer upon ways and means to effect a successful organization.

Barn Burned.

The large barn of Harry B. Pearson in Latimore township with all the contents were totally destroyed by fire on Sunday afternoon. The farm is the well known Hoechst home farm and the barn was a large one in excellent condition and contained about 25 tons of hay and all the straw of last season. The farm was tenanted by A. E. Howe who had in the barn all his farming implements. The granary of the barn had a leak and Mr. Howe had undertaken to repair it and placed a lamp on a board. While at work the lamp was knocked over and started the fire. The stock was successfully gotten out of the barn and yard to a place of safety. Mr. Pearson's loss will amount to \$1500 at least.

He has insurance in the Adams County Mutual Fire Insurance Company, \$900 on farm and \$300 on produce. Mr. Howe's loss is very heavy and he has insurance of \$750 in the Liberty and Independent Mutual Fire Protection Society.

Prepare This Yourself.

For those who have any form of blood disorders; who want new, rich blood and plenty of it, try this:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost. This is the prescription which when made up, is called "The Vegetable Treatment," by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious long-standing cases of rheumatism and chronic backache quickly. Make some up and try it.

Took Poison by Mistake.

Edward Timmons of near Brush Run made a narrow escape last week from poisoning. He took a dose of horse medicine in mistake for whiskey. The decoction was a mixture of uox vomica, tincture of aconite and belladonna. He was given large quantities of sweet milk which produced vomiting and was then hurried to Dr. J. L. Sheetz who applied the stomach pump and effects of the poison were overcome.

White Will Case.

The Supreme Court on Monday decided that the jurisdiction for appeal in the will case of Dr. D. McC. White of Hampton was in the Superior Court and they transferred case to that Court. Case will be heard by Superior Court next Monday.

GITT BUYS ALLEMANSTORE

PAYS FOR STOCK AND BUSINESS SIXTEEN THOUSAND DOLLARS.

New Store Opened On Monday Morning and Will be Quickly Restocked.

The sale of the L. M. Alleman Hardware Store by the receivers in bankruptcy, Wm. T. Ziegler, J. Frank Hartman and Robt. Ehrhart on last Saturday attracted quite a crowd. Before the sale came off there was a meeting before Referee Vandersloot in the Court House. A number of creditors were present at the meeting and sale. Auctioneer James M. Caldwell called the sale. In the effort to get the most money, the attempt was made to make the sale in several ways, the Gettysburg store was offered alone, likewise the Littlestown store. The various departments were offered, the grocery, hardware, queensware, farming machinery, but when the store here and in Littlestown with all departments was put up as a whole it was soon seen that most money would be brought so sold. The bidding was quite spirited for a while and was finally knocked down to H. N. Gitt of Hanover for \$16,000.

Saturday afternoon notices were posted that the store would be opened for business on Monday morning. At the usual time on Monday morning the store with H. N. Gitt as proprietor was opened for business. A new stock will in a short time fill the shelves and in the meantime there will be many bargains to be had from the old stock. The receivers have in a very short time cleaned up about \$45,000 for the creditors of the L. M. Alleman Hardware Co. The sales and collections up to Saturday had amounted to about \$29,000 and with the \$16,000 from the Saturday's sale the total of \$45,000 has been realized.

The Alleman Hardware Store bought by H. N. Gitt has been reorganized and hereafter will be known under a new name. The Gettysburg Department Store. The stock of the re-organized corporation under the new name will be held by H. N. Gitt of Hanover, J. L. Butt, J. Harry C. Sanders, J. Frank Hartman and E. P. Miller of this place. The store will be continued with all the present departments. Mr. Sanders will have charge of the Hardware Department, Mr. Hartman of the farming machinery, wagons, conveyances, harness, etc and Mr. Miller of grocery and other branches of the grocery department. These three gentlemen are experienced men in their respective departments, specialists as it were along their line and have always enjoyed the confidence of this community and the new store cannot help but start out with the brightest of prospects.

The Alleman Store has enjoyed a big trade, it has brought trade to this place that would never have come. This trade and business is in itself a big asset for the new store and with proper management must be a paying institution.

Letter to Aaron Sheely

Gettysburg, Pa. Dear Sir: We asked City Drug Co. Crystal Springs, Miss. to sell Devoe. They wanted to know, of their own knowledge, how it compared with another paint they knew all about—it was sold right there, and considered good.

They painted the house of W B McCluney two coats on purpose to test the two paints against one-another: one coat Devoe 6 gallons; the other coat that other paint 10 gallons. Difference \$20.57 for paint, \$13 for labor.

That other paint is made in New Orleans; is pure; is considered an excellent paint, and has a good deal of local goodwill.

But the standard of paint has been low all through the southwest. That paint is thin; it is, you see, six-tenths of a paint. Devoe saves 25 per cent on half a small job.

It is a case of local test compared with actual best.

Yours truly, F. W. DEVOE & CO. Thos. J. Wm. Remond, solicitor at law.

FUR SALE Extraordinary

Furs at Sacrifice Prices in the Midst of the Wearing Season

Owing to much larger purchases than usual during the season, and a warm December, our inventory discloses the fact that we still have a Fur stock of about Nine Hundred Dollars, at retail, which, rather than carry over, we will sell now at a loss. It is much easier for you to care for one piece than for us to care for one hundred pieces, and to buy now is an investment that will pay better interest than bank stocks.

As there is only one or two pieces of any one shape or kind, it is useless to give description in this Ad. The stock comprises single Neck Pieces, in all the new shapes, single Muffs and Sets, of Squirrel, Brown Lynx, Blue Wolf, Blended Martin, Jap Mink, White Fox, Isabella Fox, Canada Marten and others. We mention this to show that the assortment is still general as to shapes and kinds of furs.

Seldom is an opportunity given so near home where the choosing is so great.
